

**SAMRUF**  
**TECHNICAL SERVICES LIMITED**  
*Machine & Fabrication Shop*

# About Us

**S**AMRUF Technical Services Limited was established in Nigeria in 2012. The Company was set up as a Machine shop company by Mr. Samuel Rufus after given his 19 years of services to Remm Oil Services Ltd (Machine shop Department) as a Senior Machinist.

Mr. Samuel Rufus Johnnie is the MD/CEO of Samruf Technical Services Ltd. He has acquired over twenty years' experience in the Oil & Gas Industry. He is an HND graduate of Rivers State Polytechnic Bori in Mechanical Engineering Department.

SAMRUF has an established base in Green city Odani junction Off Eleme-Akpajo road Port Harcourt occupying over 10,000 square meters area including Offices, Machine shop, Welding & Fabrication and stacking area.

With the in-depth knowledge of the Nigerian oil field operations, SAMRUF has established an excellent reputation as:

1. Preferential service provider for the major oil companies.
2. Specializes in Machine Shop and fabrication services.
3. Supplying of OCTG and Well Completion Accessories.

## QUALITY POLICY STATEMENT

**Samruf Technical Services Ltd** is an engineering machine shop, welding and fabrication services company operating in the Nigeria oil and gas industry.

As a customer-focused company, it is the policy of **Samruf** to ensure a clear understanding of client's needs and expectations, to meet client needs, statutory and regulatory requirements and strive to exceed client expectations in cost effective manner.

Consequently, a quality management system in accordance with the requirements of ISO 9001:2015 and API SPEC Q1, 9<sup>th</sup> edition, 2013 is established, documented, implemented and maintained. The product realization and support processes of Samruf planned to meet the requirements of these international standards.

The top management of **Samruf** has the basic responsibility over the quality management system and is committed to continually improve its effectiveness.

SAMRUF Technical Services Limited has staff strength of over twenty Nigeria personnel, (Management, Engineering, Technical and Support) to produce high quality products and services to the oil industry. We enjoy good relations with the Host Community and providing employment and work for local companies and Vendors, as well as contributions to Community Development Projects.

The Company has a dedicated Safety Management System and considers this to be a high priority in day to day operations.

On the 3<sup>rd</sup> February 2017, SAMRUF Technical Services Limited was accredited and registered by the Standard Organization of Nigeria (SON) with ISO9001:2015 (a Quality Management System accreditation)

On the 14th February 2018, SAMRUF Technical Services Limited was also accredited and Licensed by the American Petroleum Institute (API) with API 5CT and API Spec 7-1 (AN OFFICIAL API MONOGRAM).

Quality objectives directed at different functions and levels and in consonance with this quality policy are established, pursued and reviewed periodically for effectiveness.

The management representative (MR) has the major responsibility of coordination of quality activities in the company. He ensures that this quality policy is communicated, understood and implemented throughout the company and is continually reviewed for suitability.
